ADVANCE YOUR CAREER

Boost your credibility and professionalism in one week!

Whether you're just starting your journey or have a more established OSH career, ASSP Certificate programs can take you to the next level. Earn one of six certificates:

- Certificate in Safety Management
- Certificate in the Executive Program in Safety Management
- Global Safety Management Certificate
- Managed Fall Protection Certificate Program
- ISO 45001 Certificate Program
- Risk Assessment Certificate Program

Safety Certification Matters

Get a competitive advantage with our Certification Prep courses. BCSP offers you certification exams and designations, while ASSP offers the education and support you need to earn and maintain ASP, CSP, CET, CHST, CHMM, OHST and SMS designations.

Pass your exam the first time with our certification preparation courses. We're so confident our workshops are effective that we guarantee success on the exam. If you don't pass, retake the same workshop for FREE.*

**Applicable to participants who attend our ASP, CSP, CHST, OHST and SMS workshops and sit for the exam within one year of attending. This guarantee is not valid on workshops hosted by ASSP chapters or regions.*
